PUSH CART:
Cart must be equipped with the following safety items:
- Seat belt – must be safe and must fit the racer appropriately.
- Brake
- **Steering Stops – REMOVED. This is not a downhill race. You will need to steer through obstacles.**

OPERATION DURING EVENT:
- Use your legs to steer the cart.
- Use the hand brake to slow down or stop the cart. **DO NOT USE YOUR FEET TO STOP!**
- **Driver is in charge of pushcart. Pusher MUST LISTEN & stop pushing immediately at driver's request!**
- The winner is determined by the Finish Line Judge.
- After crossing the finish line, grab the hand brake at the marked braking line and clear the course **BEFORE** removing safety gear (gloves, helmet, seat belt, etcetera).
- Parent or guardian must be present for duration of the event.
- **Unsportsmanlike conduct by a scout, parent or guest will result in complete removal from the race & the event.**
- **All scouts, families and guests must act accordingly.**

CART SPECIFICATIONS:
- **Any Pushcart kit produced can be used so long as it has the appropriate safety requirements** AND is not oversized to where it does not fit properly through course lanes. **If you are not sure, PLEASE ask ahead of time**.
- We especially encourage the re-use of the pushcarts created for the Pack 271Pushcart Derby Race, & other races.
- Do not add weights of any kind.
- Must use wheels supplied in kit, (unless pushcart was not obtained through Pack 271) – **NO** bearings allowed.
- Wheel collars can be lubricated – **NO** modification to axles.
- Any modification that can render a cart unsafe will not be allowed.
- Personalization such as: seat pads/covers, painting, decals, and reflectors are allowed if they meet safety standards.
- Cardboard number plates, covers, panels and fairings are allowed as long as they are secured safely.
- After safety check on the day of the race, there can be **NO** alterations made or the cart will be disqualified.
